

Illinois Prairie Weavers Guild - 2012 Challenge

“Fear Factor Weaving!”

Is there a technique or a fiber or an item that you've always wanted to weave... but haven't dared?

Embrace your fears this year, and for our 2012 challenge: weave something that you've never done before!

Up the challenge by using one of the 3R's:

Reduce your stash

Reuse something from an unfinished project

Recycle something from a completed project

Present your project at the December 2012 meeting, telling us:

What were your ABCs?

(A=Purpose, B=Learning Goal, C=Personal Challenge)

What did you learn?

What would you do differently next time?

P.S. Everything in a Challenge is completely optional, meant only to inspire and challenge you in your personal journey as a weaver! So accept whatever parts of the challenge you wish and feel free to ignore the rest!

Good Luck and Happy Weaving!!!
