

Stash Sale

When: Tuesday, June 6, 2023 (after the Guild program)

What: Any weaving or spinning items are acceptable – yarns, fiber, books, tools and equipment. If you will be bringing a large item, please advise one of us ASAP so we can make room for it and promote it in advance.

How: You can participate in 3 ways:

Sell from your stash

- For each item sold, 25% goes to the Guild. You get 75%, which will be paid to you via a check from the treasurer within two weeks after the event.
- Each item must be clearly marked with
 - Price (even dollars only)
 - Your first initial and last name.
 - Fiber content and approximate yardage of yarnsSee page 2 for a label template for marking your items. You can print out as many sheets as you need.
- After the sale, you can take back your unsold items or donate them to Envision

Donate from your stash

- If you have just a few items or don't want to bother labeling your fiber, there will be a table for items that you donate to the Guild.
- Members then donate what they feel the item is worth to them. 100% of this goes to the Guild.
- After the sale, any remaining items are donated to Envision.

Shop . . . Shop . . . Shop!

What someone else gets rid of may be just the perfect thing for your next project! It's a win-win situation for both you and the Guild.

- There will be a central check-out table for items that other members are selling. Cash and checks only.
- For donated items, simply put your money into a jar on the table. No standing in line to check-out.
- Bring along your Guild tote bag or a shopping bag (or two!) for your purchases.

Remember: Items are put on the tables when you arrive for the meeting, but shopping begins AFTER the Guild program.
